

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held July 11, 2006, the Board took the following action:

43-D

The following statement was entered into the record for Supervisors Antonovich and Knabe:

“The Firefighter Cancer Support Network (the Network) is a 501 (c) (3) charitable organization that provides Fire Department personnel and their families comfort, strength and hope in dealing with the devastating effects of cancer. Their motto is ‘together we can.’ In addition, the Network promotes awareness, as education is vital to fighting this disease. Cancer screenings and early detection is the key to beating all types of cancer.

“While the Network has been very successful in its mission, funding is required to keep up with the needs of Fire Department personnel that are affected by cancer. The Firefighter Cancer Support Network is not County funded and relies entirely on it’s fund raising efforts. A payroll deduction would allow firefighters to easily contribute to the Network if they so desire.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried, the Chief Administrative Officer was directed to develop a mechanism to allow firefighters to voluntarily donate through payroll deduction to the Firefighter Cancer Support Network, a 501 (c) (3) charitable organization that provides Fire Department personnel and their families comfort, strength and hope in dealing with the devastating effects of cancer.
